PART B: CURRICULUM FRAMEWORK OVERVIEW

Identify the learning area(s) and/or subject(s) for which national recognition is sought

Learning area/subject titles

Publishing details that will identify the specific version of the curriculum framework area/subject:

The process requires that direct comparisons are made at relevant points across year levels between the Australian Curriculum learning areas/subjects and the learning areas/subjects submitted for recognition.

Australian Curriculum learning area/subject

Curriculum framework learning area/subject

Propose points (year levels) for comparison between the Australian Curriculum and the learning area(s) and/or subject(s) for which national recognition is sought. Where applicable, the points are to allow comparison with the Australian Curriculum at the end of Year 4, the end of Year 6, the end of Year 8 and the end of Year 10.

Proposed comparison points:

Australian Curriculum Year 4
