

Alaric Maude

Associate Professor of Geography (*retired since April 2004 with full academic status*)

School of Geography, Population and Environmental Management

Faculty of Social Sciences

Flinders University

Academic Qualifications:

B.A. with First Class Honours in Geography, Sydney University, 1960

Ph.D. in Geography, Australian National University, 1965

Employment History:

Current Appointment/s -

Teaching at masters coursework level in sustainable environmental management

Supervision of PhD students

Secretary of the Institute of Australian Geographers since 2004

Editor of the *South Australian Geographical Journal* since 2005

Member of the Steering Committee of the Towards a National Geography Curriculum Project

Research on local and regional development; innovation and regional development, and on integrating environmental sustainability into regional development

Consultancy projects on promoting inwards investment and on the environmental impacts of immigration

Professional awards and distinctions:

Distinguished Fellow of the Institute of Australian Geographers.

Steering committee member, Key writer in joint project between IAG, RGSQ and AGTA project *Towards a National Geography Curriculum for Australia*

Demonstrated continuing commitment to the IAG's involvement in the National Curriculum, is the university geography academic probably most informed about school curricula, and has published in the scholarly literature on the topic (most recently in *Geographical Research*)

Appointment resoundingly supported by geography teacher, academics and royal geographical societies.

Education Experience:

One of the two leaders of the writing of the South Australian Year 12 Public Examinations Geography syllabus, 1983-85. Wrote several teaching guides for high school teachers on the syllabus, and participated in in-service workshops for teachers around the State.

Awarded a service commendation by the Geography Teachers' Association of South Australia.

Prepared the submission of the Institute of Australian Geographers to the Towards a National Geography Curriculum Project survey.

2009 Co-author of *Towards a national geography curriculum for Australia*.

Selected publications:
