

Strategic Plan 2019-2022

Our purpose

To be the authoritative source of advice on, and delivery of, national curriculum, assessment and reporting for all Australian education ministers, with international recognition of our work.

Our vision

Inspire improvement in the learning of all young Australians through world-class curriculum, assessment and reporting.

Our priorities for 2019-2022

- Continue to deliver and improve the quality of the National Assessment Program including successful transition to NAPLAN Online.
- Refine the Australian Curriculum in accordance with directions set by the Education Council, and continue to provide support for the Foundation to Year 10 Australian Curriculum.
- Increase the use and value of our data and reporting on schooling including through the My School website and all national reports.
- Conduct, commission and disseminate research on curriculum, assessment and reporting.
- Strengthen our collaboration and engagement with all jurisdictions and stakeholders
- Progress the national policy initiative for learning progressions and online formative assessment.

How we work

In the national interest

Our priorities focus on matters that are most effectively undertaken at the national level

In alignment

Our work aligns internally and complements the national education agenda

For quality and innovation

We deliver superior and creative products and services to assist jurisdictions to implement the national education agenda

With efficiency

We ensure our products and services are delivered in a timely manner within agreed budgets

With transparency and accountability

We plan and report in a manner that provides assurance to Education Council that our work is in the national interest

With a focus on engagement

We work collaboratively to ensure our agenda is aligned with the national education agenda and to communicate effectively with the general public

What we do

ACARA is an independent statutory authority established in December 2008 to execute policy directions determined by the COAG Education Council regarding curriculum, assessment and reporting at the national level.

National curriculum

- Provide a world-class curriculum from Foundation to Year 12 in specified learning areas agreed by the Education Council
- Assemble the evidence base required to review, develop and refine the curriculum

National collaboration and leadership

- Provide effective national leadership in curriculum development, educational assessment and national reporting
- Collaborate closely with jurisdictions, the non-government education sector and relevant stakeholders in pursuing the national education agenda

National assessment

- Provide a quality, comprehensive and cohesive suite of assessments

National data and reporting

- Provide and apply a comprehensive and reliable national measurement framework
- Facilitate use and dissemination of data for research and policy development in accordance with agreed protocols
- Present detailed, accessible, timely and meaningful school education performance information
